Full-Service Merchant Services Expertise

When it comes to merchant services and payment processing, we are the experts. Our independent merchant service brokers have a combined experience of over three decades. Whatever your business is or does—high-risk or low-risk—we have the processing power, expertise, technology, and connections to help it grow.

Official Clover POS Systems Partner

As an Official Clover® POS (Point-of-Sale) Systems Partner, MerchantPro Express TEXAS provides expertise, support, sales, and knowledge for all Clover Point-of-Sale systems and products: Clover Station Solo, Clover Station Duo (formerly Clover Station Pro), Clover Mini, Clover Go, Clover Flex, and all other Clover and related devices. Clover is the leader in technologically advanced POS systems. It provides online ordering, reporting, employee management/scheduling, apps, faster payments, gift cards, loyalty programs, financial solutions, customer engagement and marketing, virtual terminal, and fraud deterrent features - beyond any other systems on the market.

Testimonials

”

I highly recommend Chris Bowman with MerchantPro Express TEXAS. Chris took the time and effort to provide exceptional service, and in the process, saved me money and time. The product is extremely easy to use; training is excellent. Chris will be saving me money and time every month.

— Brent Milam, Swoon Media LLC

”

Chris is not only very experienced in his industry and very knowledgeable about his products, he is able to offer each client the best solution based on individual needs because he is not tied to one particular [merchant services provider], product, or service. He works with many of the industry leaders. If you have a need to receive credit card payments or are not in compliance—whether you are a food truck, online coach, or large retailer—talk to Chris first. Get your “shopping around” done with one-stop.

— Colleen Hart, LED Solutions Specialist, EcoLumos LLC

”

Chris with MerchantPro Express is extremely knowledgeable with credit card processing. If your business needing to begin to accept credit cards, either on-line or in-person, contact Chris. He can provide multiple in-person credit card points of sale and you have been around or find out you are spending your credit card processing, contact Chris. He won't be sorry! He is a wonderful, honest individual to work with your company.
