CITY BONFIRES®

CITYSCAPES™ ELEVATES
YOUR BONFIRE EXPERIENCE,
PROVIDING A LOW-SMOKE,
WARM, GLOWING FLAME -
PERFECT FOR ANY OCCASION.

- **LOW SMOKE TECHNOLOGY**
The double walls direct the heated air through the top vent holes over the fire to minimize smoke.
- **FLAME RING**
Keeps flame centered and when not in use, flips over and sits inside the fire pit for easy storage.
- **REMOVABLE ASH GRATE**
Allows ash to fall and oxygen to flow up to feed the embers.
- **REMOVABLE ASH CATCH PAN**
Collects ash to prevent blocking of airflow.
- **STAND**
Raises the fire pit to allow cool air to pass through vent holes while protecting surfaces from being scorched while in use.
